

PRIOR TO APPLYING FOR THE 2022 PRESIDENTS CUP, I HAVE READ AND AGREE TO THE FOLLOWING:

REGIONAL/NATIONAL COMPETITION:

1. Winners of the Presidents Cup will represent MSYSA at the USYS Eastern Presidents Cup.

2. Finalists and semifinalists should be prepared to represent MSYSA in the event the Presidents Cup Champion is unable to attend.

**If the Eastern Presidents Cup has additional openings for teams to compete, MSYSA may ask the finalist and/or semifinalist to attend. Finalists and semi-finalists should be prepared for the possibility to attend.

3. Entry into the Maryland Presidents Cup competition acknowledges the above and represents an agreement to participate in the Eastern Presidents Cup and USYS National Presidents Cup competitions.

4. If a team wins the Presidents Cup and does not go on to the Regional competition, it will be fined \$1000 by MSYSA and may be declared ineligible to participate in future competitions. This fine is in addition to any fine that the Region may impose. For 2022 the East Region fine will be \$2,500. Total fine will be \$3,500 (\$1,000-MSYSA, \$2,500-East Region)

5. If the fine and fees go unpaid, the club and/or team will be considered in "bad standing" until payment is rendered.
