

Theme:

Working in teams

Topic 1:

What makes a great team?

Goal:

To identify the main ingredients which produce a top-class team.

Scoring:

Score by...

- a) Identifying teams outside the sporting world.
- b) Naming some successful sports - teams and stating their best quality.
- c) Listing the main features of any successful team.

What makes a great team?

Lesson plan

Warm-up:

Watch UEFA's tribute to FC Barcelona (2009) and/or talk about being a team player in sport or in another aspect of life.

1st Half:

a) Produce a list of teams, other than those in sport (e.g. family)

b) Produce a list of successful sports teams (between 5 and 10). What is their main quality?

Half-Time

Sum-up the first half action and introduce the plan for the second half.

2nd Half

a) Produce a list of the main features which contribute to the success of a team.

b) Class discussion on the various proposals and the production of a list under the heading:
Good teams have...
